

**Dear Mentor,**

Please note that starting with 2018 Jul-November offering, we will be collecting feedback from mentors about the course as well as the mentorship process. You will be provided with a mentorship certificate if and only if:

- You have submitted a sufficient number of mentorship feedback.\*
- Your mentorship points is greater than or equal to 10.\*\*
- At least one of your mentee has passed the final exam.\*\*\*

Please click on the radio button "I have read and understood the statements above" to proceed to the feedback form. In case of any queries, please post your query to [localchapter@nptel.iitm.ac.in](mailto:localchapter@nptel.iitm.ac.in) copying your SPoC.

Regards

NPTEL Team

\* For 4-week course, a minimum of one feedback; For an 8-week course, minimum of two feedbacks; and For a 12-week course, minimum of 3 feedbacks. If there are a number of feedbacks submitted by the mentor, we will be considering only the last set of feedback based on the duration of the course.

\*\* Mentorship Points = Number of mentees in category ( $40 \leq \text{Final score} \leq 59$ ) + 5 x Number of elite + 20 x Number of gold + Number of mentees present for exam (capped at 10).

**This means that a mentor will get a certificate in the following scenarios too:**

He/she has at least 5 mentees who have successfully completed the course ( $MP = 5+5 = 10$ ), or  
2 mentees with elite certification ( $MP = 2*5 + 2 = 12$ ), or  
1 mentee who got a gold certificate ( $MP = 1*20 + 1 = 21$ )

\*\*\*Mentorship points will be used only if one of the mentees have passed.

**I have read and understood the statements above.**
